Puppy Love Client since 2009

Hi Everybody!

My name is Blue, but everyone who knows me best calls me Blue-Bear. I am a 6 year old Shih-tzu and have been blessed with my human family since I was 6 months old.

Usually, I am shy when I first meet new friends, but if we continue to be around each other, my true personality will come out. I may even try to give you a kiss, or two... OR TEN!!! I am very loyal to my family and always meet Mom and Dad at the top of the stairs, or even right at the door, every time they come home.

One of my favorite past times is to have sleep-overs at my Nanny & Papa's house. Mom actually gets jealous of Papa because I like to cuddle up and sleep with him on his bed, but prefer my kennel when at home. Don't worry Mom, it doesn't mean I love you any less! I also love going for walks, playing with my toys, running around like a mad man, going camping, going swimming, lazing around the house on Sundays and of course, going on trips to Grandma and Grandpa's house in B.C. My absolute favorite trips to their house (although I love them all) is when we go for Christmas. There is always lots of family, TREATS, friends, TREATS, presents, oh and did I mention the GLORIOUS TREATS!

Of course, Mom always makes me an appointment with Kim at Puppy Love Grooming, prior to Christmas, so she can fancy me up for Holidays. It took me a few different groomers (remember the shy thing) before we found Kim. Instantly, upon meeting her for the first time, my Mom & Dad, and myself knew we could stop our search. Kim makes me feel comfortable and safe. I even get excited to go to the groomers now! Not only do I get to see Kim, but I get a bath, a haircut, a bandanna and a TREAT!

Thanks for everything Kim, and Happy Holidays to all humans and pets!
