

'Jenna'

Spaniel/Collie

DOB: 2006

Puppy Love client since: 2009

Jenna became part of our family in June, 7 years ago. A bouncy one year old border collie cross water spaniel. Full of energy; why she could lap the living room without even touching the walls. Sometimes she still does!

She's a happy girl, good natured and gentle.

Jenna enjoys our walks, but doesn't like to get her feet wet. (Kim always takes special care to trim her hairy, webbed paws.). She loves to run. There are times when Jenna wants to "herd", and other times when she "points".

What a treasure! We are so thankful her previous family cared enough to find someone, US, to love her!
