Ollie

Ollie is a five year old pure-breed Shih-Tzu, born on a farm near Nobleford. He is a very high-energy pup who enjoys walks around the north-side of Henderson lake with any of his extended family. When home he enjoys playing with his large selection of toys, taking naps on top of the couch in the front window and sun tanning in the yard on the patio furniture. He adores watching the neighbors walk by and growling at other dogs, cats and the mail-lady on the street. He loves almost any treat, but especially ones with alligator and he enjoys fish flavored food. Ollie does not venture far from his owners and their families and is very protective of them, but he does love meeting new people.
