

# *Trixie*

**Schnauzer/Poodle**

**DOB: 2007**

**Puppy Love Client Since 2007**

*Trixie is a schnoodle. She is almost 7. Our boys chose her because she was cuddly and her tail was always wagging. Now 7 years later she is still cuddly and her tail is still always wagging. She loves to sit up on the furniture and keep an eye on what's happening out on the street. She has lived up to her name. She loves to play and get into mischief.*
